## Making a Trifle Cake Dessert

Brain Boost

Brain Health 101

### Supplies Needed

Biscuit Cutter

Cutting Board

Glass or Cup

Spoons

Smaller bowls

### Ingredients

Pound Cake

Chocolate Pudding

Strawberries

Whipped Cream

## **Instructions**

Use a biscuit cutter to slice the cake into a smaller piece.

Place cake slice into glass.

Add a layer of pudding to the cake in the glass.

Add some strawberries to the glass.

Use a biscuit cutter to slice the cake into a smaller piece.

Place cake slice into glass on top of other ingredients.

Add a layer of pudding.

Add some strawberries to the glass.

## **Modifications**

This activity can be fun for everyone. The layers do not have to be precise, so there is a lot of variability and opportunity for success!

Use a different type of cake if you prefer. Other options might include angel food cake or vanilla cake. Use other fruits and flavors of pudding if you prefer.

This can be made in individual bowls or cups, but could also be made into a large bowl for several people. Large bowls may also be easier for individuals with less hand-eye coordination.

If layering is a challenge, eating each ingredient one by one is okay! It's the process of doing rather than the finished product!

## Crafting a Decorative Fall Vase

Brain Boost

Brain Health 101

For this craft activity, you will need a table to set everything on.

### Supplies

- Vase or bowl to decorate
- Clear liquid glue, or Mod podge
- Plastic or real leaves
- Tissue paper or crepe paper
- Paint brush

### Instructions

To make your own Mod-podge, place 6 ounces of glue in  $\frac{1}{2}$  pint jar. Add water. Screw lid on top of jar. Shake it to mix.

Using a paint brush, spread Mod-podge onto the outside of the vase. Place leaves on to the Mod-Podge on the vase. Spread Mod-Podge over the leaves.

Using a paint brush, spread Mod-podge onto the outside of the vase. Place pieces of tissue paper or crepe paper on to the Mod-Podge on the vase. Spread Mod-Podge over the tissue paper or crepe paper.

## **Modifications**

If using real leaves, the walk to collect the leaves is an activity in itself. Pay attention to your surroundings as you walk and notice the colors. You could ask, “what kind of tree did this leaf fall from?”

You could sing as you collect the leaves. There are several songs that have the words “tree” in them.

“Don’t Sit Under the Apple Tree”

“Tie a Yellow Ribbon Round the Ole Oak Tree”

“What a Wonderful World”

As you walk, you could reminisce about trees you climbed as a child, notice the breeze or sunshine on your face as you walk, the smells in the air, and maybe crunchy leaves below your feet.

You could use a plastic vase or cup rather than a glass one.

Use larger handled paint brushes if needed.

Do the activity together or with children to make it intergenerational.

The person could watch someone else decorate the vase and critique the finished product.

## Rock Around the Clock

One, two, three o'clock, four-o'clock rock  
Five, six, seven o'clock, eight-o'clock rock  
Nine, ten eleven o'clock, twelve o'clock rock  
We're gonna rock around the clock tonight.  
Put your glad rags on and join me, hon'  
We'll have some fun when the clock strikes one  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, 'til the broad daylight  
We're gonna rock, gonna rock, around the clock tonight  
When the clock strikes two, three and four  
If the band slows down we'll yell for more  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, 'til the broad daylight

We're gonna rock, gonna rock, around the clock tonight  
When the chimes ring five, six and seven  
Me and my baby, in seventh heaven  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, until the broad daylight  
We're gonna rock, gonna rock, around the clock tonight  
When it's eight, nine, ten, eleven too  
I'll be goin' strong and so will you  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, until the broad daylight  
We're gonna rock, gonna rock, around the clock tonight  
When the clock strikes twelve, we'll cool off then  
And we'll rock around the clock again  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, 'til the broad daylight  
We're gonna rock, gonna rock, around the clock tonight  
When the clock strikes twelve, we'll cool off then  
And we'll rock around the clock again  
We're gonna rock around the clock tonight  
We're gonna rock, rock, rock, 'til the broad daylight  
We're gonna rock, gonna rock, around the clock tonight  
Gonna rock, gonna rock around the clock tonight.  
Gonna rock, gonna rock around the clock tonight.

## Home on the Range

Oh, give me a home

Where the buffalo roam

Where the deer and the antelope play.

Where seldom is heard, a discouraging word

And the skies are not cloudy all day

Home, home on the range

Where the deer and the antelope play

Where seldom is heard, a discouraging word

And the skies are not cloudy all day.

Home, home on the range

Where the deer and the antelope play.

Where seldom is heard a discouraging word

And the skies are not cloudy all day.

# You are My Sunshine

Brain Health 101

You are My Sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know, dear, how much I love you.  
Please don't take my sunshine away.  
The other night, dear, as I lay sleeping,  
I dreamt I held you in my arms.  
When I awoke, dear, I was mistaken,  
So I hung my head and cried.  
You are My Sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know, dear, how much I love you.  
Please don't take my sunshine away.  
Please don't take my sunshine away.
