

MyChart

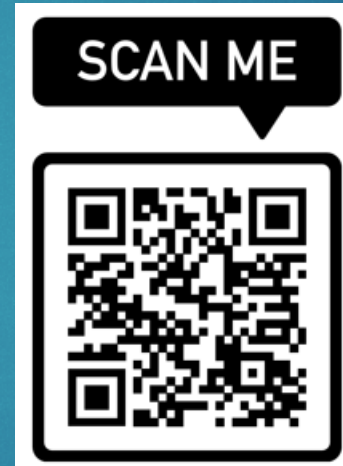

ACCESS AND NAVIGATION

What is MyChart?

- ▶ MyChart is a secure online patient portal
- ▶ Allows you to access and manage your health information
 - ▶ See your physician names for each specialty
 - ▶ Look up your existing appointment date and times
 - ▶ Use eCheck-in to complete information for your visit ahead of time
 - ▶ Cancel and, in some instances, reschedule appointments
 - ▶ Send and receive messages from your doctor/nurse
 - ▶ See your test results
 - ▶ See your Visit Summaries
 - ▶ See your medications
 - ▶ See and pay your outstanding bills

How do I sign on to MyChart?

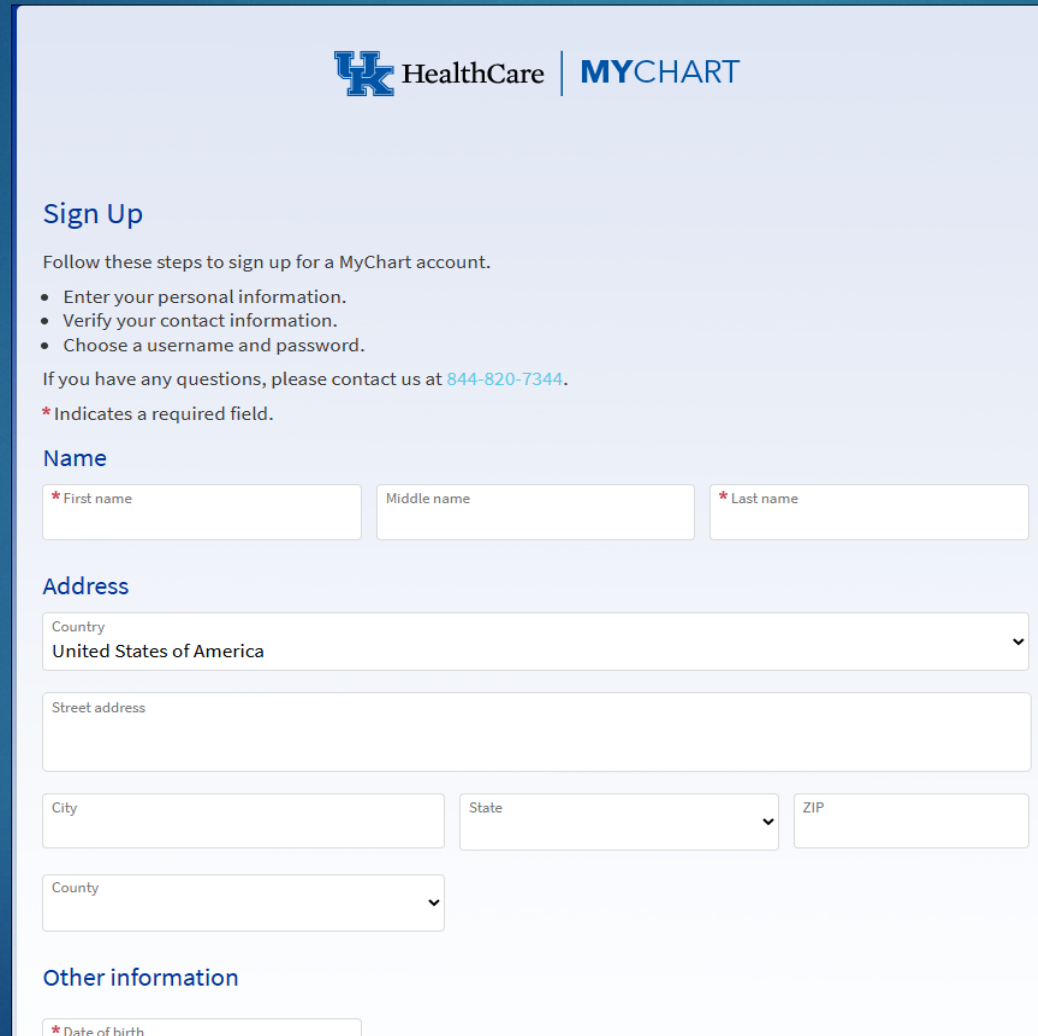

- ▶ **Use phone or tablet or desktop**
- ▶ Use Microsoft Edge or any other browser like Google Chrome
 - ▶ The QR code below will take you to the registration screen
 - ▶ Complete all fields that have a red *
 - ▶ Create a Username and Password
 - ▶ Click on "Next"
 - ▶ Read and accept the form

- ▶ You can also click on Google Play Store or App Store icons to install the app to use MyChart on your phone

How do I sign on to MyChart?

- ▶ Fill out the registration form. Fields with RED * are required.

The screenshot shows the MyChart registration page for UK HealthCare. At the top, the UK HealthCare logo and the MYCHART logo are displayed. Below the logos, the heading "Sign Up" is followed by instructions to follow steps to sign up for a MyChart account. A bulleted list outlines the steps: entering personal information, verifying contact information, and choosing a username and password. A note provides a contact number (844-820-7344) for questions. A legend indicates that a red asterisk (*) denotes a required field. The form is divided into sections: "Name" with fields for first, middle, and last names; "Address" with fields for country (pre-filled with "United States of America"), street address, city, state, ZIP, and county; and "Other information" with a field for date of birth. Red asterisks are placed next to the first name, last name, and date of birth fields to indicate they are required.

UK HealthCare | MYCHART

Sign Up

Follow these steps to sign up for a MyChart account.

- Enter your personal information.
- Verify your contact information.
- Choose a username and password.

If you have any questions, please contact us at [844-820-7344](tel:844-820-7344).

* Indicates a required field.

* Date of birth

How do I sign on to MyChart?

- ▶ Security code will be texted or sent to email to verify your contact information.

The screenshot shows the MyChart login verification page. At the top, the 'UK HealthCare' logo is on the left and the 'MYCHART' logo is on the right. The main heading is 'Verify Contact Information'. Below this, a note states '* Indicates a required field.' and 'We've sent a security code to ***-***-2618.' with a 'Learn more' link. A text input field is labeled 'Enter your code below to continue.' and contains the placeholder text '* Enter Code' with a yellow padlock icon on the left. Below the input field is a blue 'Verify' button with a key icon. Underneath the button, it says 'Didn't receive the code?' with a 'Resend code' link. In the bottom left corner, there is a 'Back' button.

How do I sign on to MyChart?

- ▶ If the information is correct, you will be asked to enable notifications.

The screenshot shows the UK HealthCare MYCHART sign-in page. At the top, the UK HealthCare logo and MYCHART logo are displayed. Below the logos, the page asks the user to "Enable email notifications?". It explains that when new information is available (such as test results or messages), a notification will be sent to the user's email address. There are two buttons: "Yes" (highlighted in blue) and "No". Below this, it states that the email address will be used only for notifications and will not be shared. There are two input fields: "* Email address" and "* Retype email address". Below these, the page asks the user to "Enable text message notifications?". It explains that when new information is available (such as test results or messages), a text notification will be sent to the user's mobile phone. There are two buttons: "Yes" and "No" (highlighted in blue). Below this, it states that the mobile phone number will be used for notifications only and will not be shared. There are two input fields: "Mobile phone number" and "Retype mobile phone number". At the bottom left, there is a blue "Sign in" button. At the bottom, there are links to "Interoperability Guide", "FAQs", "Privacy Policy", and "Terms and Conditions". There are also logos for the App Store and Google Play.
